PARENT & COMMUNITY ENGAGEMENT 2026-27

- **Parent- Teacher Interactions**

The school values strong collaboration between parents and teachers to support the academic progress and overall development of students. Regular Parent-Teacher Meetings (PTMs) facilitate meaningful communication, feedback, and shared responsibility in the learning process.

- **Feedback Initiatives**

The school actively encourages feedback from parents and stakeholders through structured mechanisms, including online feedback systems. Suggestions and inputs are considered valuable for continuous improvement in academic practices and institutional development.

- **Social Responsibility Programs**

The school promotes social awareness and community service through various initiatives such as charity drives, awareness campaigns, environmental activities, and outreach programs. These efforts help instill empathy, responsibility, and civic values among students
